## COMMERCIAL PAINTING

WE'VE GOT YOU COVERED

The most crucial aspect for hotel and restaurant guests is cleanliness. Fresh paint in common areas, guest rooms, and food service areas reinforce your concern for guest comfort and health. Moreover, in the competitive hospitality industry maintaining your status as a premier facility means displaying your high standards to regular customers. Fresh paint is one of the most visible and economical ways to say, "We're number one" in creating a clean, neat space for your guests.

### HOTELS

Depending on the type of facility, season, or occupancy fluctuations, PPD can engineer a repainting project with minimal impact on your operations and guests. Whether you want to take an entire wing out of service or paint one room at a time, we can use low odor coatings or put double crews on the project to minimize time out of service.

PPD can also offer crews that will paint common areas during off-hours or quietly paint hallways during the night.

### BANQUET FACILITIES

Let PPD paint your grand ballroom and make it ready for tomorrow's big event! We can supply the workforce to complete any big meeting or events room, so it is back in working condition in no time at all.

### RESTAURANTS

PPD offers fresh paint for your restaurant's dining rooms, restrooms, and front entrances. We also refinish tables and chairs with high-performance coating to keep them looking new. Additionally, our floor coating division can install extremely durable, easy to clean flooring options to enhance restaurant cleanliness.
