

PLACES OF WORSHIP

COMMERCIAL PAINTING

WE'VE GOT YOU COVERED

Churches, Synagogues, Mosques, and other places of worship are sacred spaces in their communities and to their worshipers. Several considerations such as protecting priceless artifacts and religious fixtures, or erecting specialized scaffolding, make painting the inside and outside unique.

PPD provides superior church painting services, which means being respectful of the property and privacy of your religious community. Whether your house of worship has high vaulted ceilings that require specialized scaffolding systems or domes and steeples the stand high in the sky, our goal is to provide hassle-free painting to satisfy your clergy or congregation. PPD offers the organization, safety record, and experience to care for your house of worship.

PPD recognizes that every building has its unique characteristics: high steeples, religious symbols, intricate window designs, and often stone or brick exteriors. PPD can help with a wide range of painting services, and off-hour flexibility, including evening, night, and weekend work to limit any inconvenience to worship hours.
